

October 30, 2009

Dear Faith Family and Alumni,

As you are well aware, Faith Academy is steeped in tradition in every area of the school. There have been many outstanding people who have graduated from Faith Academy, and we want to recognize those individuals at our new athletic site. The Lord has provided me a vision that I want to share.

Currently, a new baseball and softball complex is being built about a mile east of the school on Ziegler Boulevard. The complex is designed so that parking will be closest to Ziegler forcing patrons to enter the gate through a large sidewalk. The sidewalk will encompass a covered canopy with a "wall of fame" guiding the fans through the entrance. These pictures will include various traditional pictures with captions on the wall. An example of a captioned picture that will be displayed is a 4x4 picture of our beloved Coach Russell.

We are asking our alumni to fill a space on the "wall of fame". You may furnish any size picture of your choice and the caption, and we will have the picture blown up to the desired size with the caption on the sign, mounting it on the "wall of fame". We have included a colored flyer for your review that can also be used as an application form. Please note the following time line from start to finish.

- November 2-6, 2009: The wall of fame packets mailed to all Faith Alumni.
- We ask that your order (enclosed form, high quality picture and check) be delivered to the school by November 28, 2009. However, we will continue to take orders through the end of December 2009 for this initial push.
- The first phase of the "wall of fame" will be complete by January 2010 with the first home game scheduled for March 2010.

Please direct softball alumni questions, concerns or suggestions to Mike Moore at 251-404-0462 and baseball questions, concerns or suggestions to Tony Waller 251-366-2318 or via e-mail at tonywaller@bellsouth.net. Other inquiries should be directed to Steve Braswell at 251-633-7267.

The prices for spaces are:

1. '1x2' space with picture and caption is \$100 and is renewable each year for \$50
2. '2x2' space with picture and caption is \$140 and is renewable each year for \$70
3. '4x4' space with picture and caption is \$260 and is renewable each year for \$130
4. '4x8' space with picture and caption is \$500 and is renewable each year for \$250

The "wall of fame" is designed to recognize FA alumni, not just FA athletes. Round up some old friends, pull out some old pictures, and create a caption to display so you can help us build a complex second to none! The "wall of fame" was suggested to be segregated by boy's athletics, girl's athletics, respective record holders, state championship teams, memorials, athletic and academic scholarship recipients, current year sponsors, class officers, and class pictures including any teacher or staff tributes.

Thank you for your support and for being a part of Faith Academy.

Sincerely,

Coach Lloyd Skoda- head baseball coach

Coach Rae Lynn Dennis- head softball coach
