

Faith Academy-Summer Reading Program 2018-2019

(Students entering Grades 7-12)

“Reading is to the mind what exercise is to the body.” –Sir Richard Steele.

- Each student entering grades 7-9 in the fall must choose one book to read from the Summer Reading List.
- Non-honors students entering grades 10-12 must read one book from the list provided.
- Honors students entering grades 10-12 must read **TWO** books-one that is designated in bold print and one of their own choosing from the list provided.

How do I prepare?

1. Read the book. Do not rely on summaries or film versions of the book.
2. In order to understand the book, students should find/underline passages from the book that are important to understanding the setting, the plot, changes that the characters undergo, major problems/conflict in the story, and how the problem/conflict is resolved. Be able to explain why the quotes that you underlined are important

What if I have questions or do not understand my book?

1. If you have questions about your book, teachers will answer questions via email beginning on August 1.
2. Each English teacher will conduct a “Summer Reading Seminar” during help class after school begins. Teachers will provide the specific dates and times for these seminars on the first full day of school.

How will I be assessed?

1. Students will take a quiz on the book in their English class on **FRIDAY, AUGUST 17, 2018**. (50 points)
2. There will be an assignment posted online for each student to complete at home. This assignment will be posted after July 1. Please watch for additional information in an email and on our social media sites. Students will need to print this assignment out, complete it, and submit it to their English teacher the first week of school. (25 points)
3. ***Honors students in grades 10-12 will complete an additional assessment over the required book. (50 points)**
