

FA cheerleading

This Cheer season is quickly coming to an end and we are beginning to prepare for our 2019-2020 season. Again this year, we will have “pre-tryout” practices for all girls that are interested in trying out for our Jr High cheer team (7th/8th grade next year).

These practices will be on Tuesday afternoons from 3:30-5:00 at the school. There will be 6 weeks of instruction from February 19th to March 26th. During these practices, the girls will learn sideline cheers, band dances and halftime cheers. We will also condition and instruct on motions, jumps, basic tumbling, stunting and vocal projection. It is not mandatory to attend these practices in order to try out for cheer this year, however this will be a great opportunity to help get ready.

Please send in your registration form and fee by Friday, February 15th. If you have any further question you may email Lisa Wheeler at l.wheeler@faithacademy.us or Candi Wilson at c.wilson@faithacademy.us . We are looking forward to meeting you and for another great year cheering on our Rams!!!

Thank You,
Jr High Cheer Coaches
