

2020 Summer Reading

We know how important it is to read!

BUT... because you have already done so much work at home and there are a lot of unknowns this summer...**we have decided to suspend our summer reading program.**

Even though there is no formal program in place for this summer, we still encourage you to find something you love to read and read more than you ever have before!

You can apply online for a Mobile Public Library Card and access all of these things for FREE:

- **Cloud Library**-access ebooks and audiobooks for all ages
- **Hoopla**-check out up to 20 ebooks, library books, tv shows, and movies each month
- **Tumble Book Library**-find K-6th grade children's ebooks, read alongs, graphic novels, videos, language learning, puzzles, games
- **Beanstack**-track your reading, challenge yourself to read more, and earn incentives
- **Explora**-learn more about non-fiction topics like endangered species, space exploration, famous people, and more!
- **Flipster**-read digital magazines in the palm of your hand

Have a wonderful summer...reading!
